

Varsha yogesh

Mysuru, Karnataka | +91 94810 89632 | varshayogeshcoorg@gmail.com

ABOUT

Motivated Computer Science and Design undergraduate with a CGPA of 8.9. Passionate about software development, artificial intelligence, and problem-solving. Strong foundation in C and C++ with hands-on experience through academic projects. Eager to apply technical skills and continuously learn in real-world environments.

EDUCATION

Mysore University School of Engineering
Bachelor of Engineering – Computer Science and Design
Graduation Year: 2028
CGPA: 8.9 (Till 2nd Semester)

Nalanda Gurukula International Independent PU College, Kushalnagar
Science (PCMB) | 2020–2022

Our Lady of Victories Convent School , Somwarpet | 2011-2019

Shree Masagodu Chennamma English Medium School, Somwarpet |2020

PROJECT

AI-Based Waste Management System

- Designed a smart AI-based waste segregation system.
- Proposed intelligent waste classification using machine learning concepts.
- Focused on improving waste management efficiency.

School Planner Application (Currently Developing)

- Building a planner application for students.
- Features include timetable management, assignment tracking, reminders, attendance, and study planning.

CERTIFICATIONS

- C Programming (Certificate Awaited)
- C++ Programming (Certificate Awaited)
- Data Structures And Algorithms(Certificate Awaited)

TECHNICAL SKILLS

- Programming Languages: C, C++
- Concepts: Object-Oriented Programming, Data Structures (Basics)
- Tools: VS Code
- Areas of Interest: Artificial Intelligence, Software Development

SOFT SKILLS

- Problem Solving
- Teamwork
- Communication
- Leadership
- Quick Learner
- Time Management

LANGUAGES

- English
- Kannada
- Hindi
